

SEITO
F&B Management System

Mobile.Cards
Membership Mobile App

Big Data helps make managing membership and coupons easy

Are you still using physical membership cards?

Seito's Coupon and Member functions have integrated with Mobile.Cards' Membership Mobile App, making it easy to collect and manage your member points and data. With just one click you can export reports and membership data. Membership management is no longer complicated!

Seito F&B Management System (POS) with Mobile.Cards Membership Mobile App, now you can:

- ▶ Capture membership data by scanning a QR code or entering a phone number on the POS
- ▶ Redeem food and bill discounts
- ▶ Print membership data on the bill
- ▶ Add points automatically after each purchase
- ▶ Send purchased data immediately to Mobile.Cards CRM system to calculate updated points balance
- ▶ Manage membership record fully with Seito coupon & membership system

Mobile.Cards
